Sub: Usage of Port Community System (PCS 1x) by all Stakeholders.

Government of India as an e-Governance initiative, is implementing Electronic Commerce/Electronic Data interchange (EC/EDI) for trade (e Trade). As a part of Electronic Commerce /Electronic Data Interchange (EC/EDI) for trade, Port Community System (PCS) Project was envisaged which is intended to integrate the electronic flow of trade related information / document and function as the Centralised Hub for all the Ports of India and provide a common interface facility for all stakeholders.

2. In order to implement PCS 1x. IPA and "Portal" conducted various workshops / training sessions and meetings with stakeholders indentified for onboarding PCS 1x was made live on 11.12.2018.
3. Given the vast functionality of PCS 1x and improved coverage of stakeholders, it has been decided that the usage of PCS 1x for carrying out all trade related electronic document exchange (finance, vessels, cargo etc.) and clearances, is made compulsory for all stakeholders with effect from 16.12.2019. Documents/request specified in PCS 1x shall not be accepted through any mode forthwith.
4. You are kindly requested to apprise your members accordingly.

Yours faithfully,
