CIRCULAR

Sub:- Implementation of RFID based access control system-
e-Drishti at North Gate

In reference to the previously issued circulars concerning the implementation of the e-Dnshti RFID-based access control system, specifically Circular No. TF/SH/RFID/2022/511 dated 08-07-2024, it has come to our attention that a substantial number of personnel registrations remain pending.

The earlier Circular No. 511 dated 08.07.2024 is kept in abeyance till 31.08.2024. All port users are hereby directed to ensure the immediate registration of their personnel in the e-Dnshti system as it is mandatory that all individuals accessing the North Gate possess a valid RFID card. Effective from 01.09.2024, access to the North Gate will be strictly restricted to those with a valid RFID card.
