PUBLIC NOTICE No.: 07/2026

Subject: Alignment of Customs Procedures with the practices and procedures adopted by Jawaharlal Nehru Custom House (JNCH) for achieving procedural harmonization across Customs formations – Reg.

Attention of Importers, Exporters, Customs Brokers, Shipping Lines, Port and Terminal Operators, Custodians, Trade Associations, and all other concerned stakeholders is invited to the various Public Notices, Standing Orders, Trade Notices, Office Orders, Circulars, and procedural instructions issued by the **Jawaharlal Nehru Custom House (JNCH)** from time to time for streamlining Customs clearances and ensuring standardized operational practices.

The **Central Board of Indirect Taxes and Customs (CBIC)**, vide F. No. 450/41/2026-Cus-IV dated 17.07.2026, has observed that many of the procedures and best practices implemented by JNCH through its instructions and trade facilitation measures may serve as a benchmark for other Customs formations in the country. The Board has accordingly advised field formations to adopt such procedures, wherever feasible, to promote consistency and uniformity in Customs administration on a pan-India basis.

2. In pursuance of the above directions and with the objective of maintaining uniform Customs practices, the procedures, guidelines and operational modalities prescribed and followed by JNCH shall be implemented and followed, *mutatis mutandis*, in Kandla Customs. However, deviations may be warranted in situations where local conditions, infrastructure, geography, port-specific operations, or any other administrative requirements necessitate a different approach.
3. Stakeholders are encouraged to inform the undersigned of any existing procedure, practice, or operational requirement at Kandla Customs which appears to be inconsistent or any difficulties faced with the corresponding documented process adopted by JNCH. Such representations shall be duly examined, and appropriate action, wherever considered necessary, shall be taken for further alignment and standardization.
4. This Public Notice is issued with the approval of the Commissioner of Customs, Kandla.
