4<sup>th</sup> June, 2020

## **TRADE CIRCULAR**

It has been brought to the notice that the sign-off crews are allowed to leave the vessel for medical check for COVID tests. It is directed that all concerned should ensure that the COVID Test for the sign-off crews should be mandatorily done inside the vessel itself to check whether the test report is positive or negative. If the report comes out to be negative, then only the crews should be allowed to sign-off from the vessels.
