Sub: Circular on induction training for Byroad truck drivers and cleaners at west gate-1- REG.

To comply the statutory requirement of safety training to reduce the incidents inside the port, a container based training centre is established at west gate-1 for imparting training to byroad truck drivers. A 15 minutes safety film will be shown to truck drivers and cleaners for creating traffic/road safety awareness among them.

All the Byroad truck drivers and cleaners entering through west gate-1 from 7:00 am to 7:00 pm shall undergo safety training at training centre at west gate-1. After completion of training, a safety training card will be issued to truck driver and cleaners which will be valid for 6 months. The truck drivers and cleaners are required to produce the safety training card at CISF entry pass counter along with other required documents for the port entry pass.

The training centre will be in operation from 23/11/2020. All CHA and transporters shall take note of this circular and ensure compliance of the same.
