Sub: Celebration of 52nd National Safety Week from 10th April to 17th April, 2023.

Every year safety day/week is being celebrated March for promoting safety in India. The observance of the safety week at DPA is planned from 10th April to 17th April, 2023 with approval of competent authority to conduct the various activities in Deendayal port authority. The Safety Day/Safety Week Campaign being spearheaded by the National Safety Council, India since last many decades. The objective of the celebration of safety week is:

- to take Safety, Health and Environment (SHE) movement to different parts of the country.
- to achieve participation of major players in different industrial sectors at different levels.
- to promote use of participative approach by employers by involving their employees in SHE activities.
- to promote development of need-based activities, self-compliance with statutory requirements and professional SHE management systems at work places.
- to bring into the fold of voluntary SHE movement sectors, which have not so far been statutorily covered.
- to remind employers, employees and others concerned of their responsibility in making the workplace safer.

The theme for the safety week celebration is "Our Aim – Zero Harm".

All HODs & Port users are requested to extend full co-operation and ensure active participation from officer/staff/workers to achieve the observation of National safety week, 2023.

Enclosed: Schedule for the activities of National Safety week celebration - 2023.
