## Sub: Celebration of Dock Safety Week from 5<sup>th</sup> March to 11<sup>th</sup> March, 2021.

Every year safety day/week is being celebrated on 4<sup>th</sup> March for promoting safety in India. The Safety Day/Safety Week Campaign being spearheaded by the National Safety Council, India since last three decades. The objective of the celebration of safety week is:

- to take Safety, Health and Environment (SHE) movement to different parts of the country.
- to achieve participation of major players in different industrial sectors at different levels.
- to promote use of participative approach by employers by involving their employees in SHE activities.
- to promote development of need-based activities, self-compliance with statutory requirements and professional SHE management systems at work places.
- to bring into the fold of voluntary SHE movement sectors, which have not so far been statutorily covered.
- to remind employers, employees and others concerned of their responsibility in making the workplace safer.

The observance of the safety week at DPT is planned from 5<sup>th</sup> March to 11<sup>th</sup> March 2021 with approval of competent authority to conduct the various activities in Deendayal port Trust.

The theme for the safety week celebration is “**LEARN FROM DISASTER AND PREPARE FOR A SAFER FUTURE**”.

All HODs & Port users are requested to extend full co-operation and ensure active participation from officer/staff/workers to achieve the observation of Dock safety week, 2021.
